

ABC SCHOOL

Florida Statute 1013.721 requires that each school district considers the need for an ABC School in each district. "A Business-Community (ABC) School" means a public school that offers instruction to students from kindergarten through third grade. The school may offer instruction in any single grade level or for multiple grade levels. ABC schools shall comply with the constitutional class size requirements.

If you or your business have any ideas that may show the need for an ABC School in Levy County, please contact Jeff Edison at (352) 486-5231.
