A Peek at Our Weeks

Pre-K is studying Things
That Grow. Ask your
child what grows!

We Made Soup!

Miss Shellie Collins sent in vegetables to our classroom. The students washed, talked about what vegetables are and learned what vegetables grow above and below the ground. We made vegetable soup. Thanks Miss Shellie!

Thursday we will be
planting Sunflower Seeds in
our cups to watch them
grow.

Friday is Show and Tell
we have had a wonderful
week and we all have been
very excited about seeing
our friends after Spring
Break.
