

Pre-K Newsletter

This week we finished up our Unit 4 “The World of Colors”. Next week we will start Unit 5 “Shadows and Reflections”. This week in small group, we made a pattern snake, a book with our fading colors, and we played letter concentration. We walked to the library on Wednesday and we also went to the PBS dance on Friday!! What a week we have had in Pre-K!! By now most of the children have learned how to recognize and write their first name. We have now started working on last names. Please take a few minutes every night to let your child practice writing their names.

JUST A FEW REMINDERS
